## LEXAN™ THERMOCLEAR™ 15 SHEET

### FIFTEEN YEAR LIMITED WRITTEN WARRANTY ON BREAKAGE

LEXAN THERMOCLEAR 15 sheet will not break due to loss of impact strength through weathering and will not display excessive yellowing and loss of light transmission as defined herein, within fifteen (15) years of date of sale by SABIC.

This limited written warranty is subject to the following conditions:

1. This limited written warranty applies solely to LEXAN THERMOCLEAR 15 Co-Extruded sheet produced by SABIC's Innovative Plastics business in Long Sault, Canada, with a minimum gauge of 4.5mm to a maximum of 16mm in the colors standard clear (112), white (825075), opal (825074), Solar Control IR (GN8B038T), Softlite (SOFTL) and standard bronze (5109), used correctly as sloped, vertical or cold curved glazing, handled, stored, processed, installed and maintained according to SABIC's Innovative Plastics business recommendations contained in the Technical Manual. In all cases, the surface bearing the proprietary UV protection must be the only side exposed to direct sunlight and the effects of weather.
2. This limited written warranty does not apply to sheet that has been thermoformed, scratched, abraded or exposed to corrosive materials or chemicals.
3. This limited written warranty is given only to the original purchaser of SABIC's Innovative Plastics business and does not extend to any subsequent purchaser or transferee. Any warranty claim hereunder must be made immediately within the warranty period by specifying the claim in writing and submitting to SABIC the original sales receipt which must contain the name and address of the purchaser, the date of purchase, the complete product name, the lot number and the volume purchased. On request of SABIC claimant must allow the material to be inspected on site and/or return the sheet to SABIC for testing.
4. For the purpose of this limited written warranty:
  - i. Penetration by hail: This product shall be warranted against hail breakage (defined as surface penetration that permits water to leak through the sheet) from hailstones up to 7/8" (22.2mm) traveling at speeds up to 100ft/sec (30m/sec). Resolution of claims will be determined through subsequent impact testing on a undamaged sample of the sheet in question using the ASTM 3029/Ford Modified Gardner Test. A 7/8" hailstone traveling at 100ft/sec equates to 5 ft-lbs force on the above test. Any sheet which sustains surface penetration at less than 5 ft-lbs when tested shall entitle the purchaser thereof to replacement sheet in accordance with schedule under item 6. The warranty does not cover impact failures or breakage caused by other means, intentional or unintentional.
  - ii. Yellowing will be determined by subjecting a cleaned sheet sample to the Yellowness Index Test ASTM 01925 (1977). Any claims for sheets displaying a change in Yellowness Index of 5 or less for only the following colors: standard clear (112) Softlite (SOFTL) and Solar Control IR (GN8B038T) compared with their original value, will not be accepted.

iii. Loss of light transmission will be determined by subjecting a cleaned sheet sample to the Light Transmission Test ASTM 01003 (1977). Any claims for sheets displaying a loss of light transmission of 4% or less for all colors listed on the above paragraph, compared to the original value, will not be accepted.

5. SABIC's Innovative Plastics business reserves the right to investigate independently the cause of any failure.

6. If a claim under this limited written warranty is justified, SABIC will provide the purchaser with replacement material free of charge in accordance with the following schedule:

Time from Orig. Purchase Date	Material Replacement
Up to 8 years	100%
in 9 <sup>th</sup> year	75%
in 10 <sup>th</sup> year	60%
in 11 <sup>th</sup> year	45%
in 12 <sup>th</sup> year	40%
in 13 <sup>th</sup> year	30%
in 14 <sup>th</sup> year	20%
In 15 <sup>th</sup> year	15%

7. If replacement material cannot be provided within a reasonable period of time, SABIC may opt to refund the original purchase price paid to SABIC's Innovative Plastics business, or a portion thereof, in accordance with the above schedule.

This limited written warranty shall be SABIC's Innovative Plastics business sole liability and customer's exclusive remedy for the products and all other claims for damages are excluded.

The limited written warranty is in lieu of all other warranties (except of title), written or oral, statutory, express or implied, including any warranty of merchantability or fitness of purpose. This fifteen (15) year limited written warranty shall be governed by the laws of the State of New York, United States of America.

8. This limited written warranty has been issued on June 1st 2014, is restricted to material sold by SABIC Innovative Plastics after such date and supersedes all previously issued warranties for the products mentioned above.

This limited written warranty has been issued on June 1st 2014.

The validity of this warranty is restricted to LEXAN THERMOCLEAR 15 Co-Extruded sheet sold after June 1st 2014.

This is the sole warranty for LEXAN THERMOCLEAR 15 Co-Extruded sheet sold after said date.
