MULTIWALL SHEET

Building Code Evaluation, Product Classifications, Certification

LEXAN Thermoclear Sheet flammability and smoke properties test results and product classifications in accordance to Building Code requirements follow. This reference tool is not meant as substitute documentation where evidence to compliance is needed. Certification comes in the form of the Structured Products BOCA, ICBO, SBCCI reports; including test reports where specifically requested.

PRODUCT	ASTM D635 Glazing applications	ASTM D2843	ASTM D1929	ASTM E-84 Interior finish applications
6mm (LTC 2R6)	CC1	Not tested	Pass (Self Ignition ~1000°F)	Class A
8mm (LTC 2R8)	CC1	Not tested	Pass (Self Ignition ~1000°F)	Class A
10mm (LTC 2R10)	CC1	Not tested	Pass (Self Ignition ~1000°F)	Class A
16mm (LTC 3T16)	CC1	Not tested	Pass (Self Ignition ~1000°F)	Class A
25mm X-Wall (LT2UV255X34)	CC1	Pass (smoke<75)	Pass (Self Ignition ~1000°F)	Class A
