

## Lexan\* Thermoclear\*Plus 2UV Sheet

## Warranty Conditions

### Ten Year Limited Written Warranty

Lexan Thermoclear Plus 2UV sheet will not break due to loss of impact strength through weathering and will not display excessive yellowing and loss of light transmission as defined herein, within ten (10) years of date of sale by SABIC Innovative Plastics.

### This limited written warranty is subject to the following conditions:

- 1) This limited written warranty applies solely to standard sheets produced by SABIC Innovative Plastics in Europe with a minimum gauge of 6 mm in the colors standard clear (112), opal white (WH7A092X) and standard bronze (515055), used correctly as sloped, vertical or cold curved glazing, handled, stored, processed, installed and maintained according to SABIC Innovative Plastics' recommendations contained in the Technical Manual. In all cases, the surface bearing the proprietary UV protection must be the only side exposed to direct sunlight and the effects of weather.
  - Loss of light transmission will be determined by subjecting a cleaned sheet sample to the Light Transmission Test ASTM D1003 (1977). Any claims for sheets displaying a loss of light transmission of 2 % or less, compared to the original value, will not be accepted.
- 2) This limited written warranty does not apply to sheet that has been thermoformed, scratched, abraded or exposed to corrosive materials or chemicals.
- 3) This limited written warranty is given only to the original purchaser of SABIC Innovative Plastics sheet and does not extend to any subsequent purchaser or transferee. Any warranty claim hereunder must be made immediately within the warranty period by specifying the claim in writing and submitting to SABIC Innovative Plastics the original sales receipt which must contain the name and address of the purchaser, the date of purchase, the complete product name, the lot number and the volume purchased. On request of SABIC Innovative Plastics claimant must allow the material to be inspected on site and/or return the sheet to SABIC Innovative Plastics for testing.
- 4) For the purpose of this limited written warranty:
  - Loss of impact strength through weathering leading to hail breakage will be determined by subjecting an undamaged sample of the sheet to a standard hail simulation test developed by KRI-TNO, Delft, The Netherlands. Acceptance of a claim under this limited written warranty requires that this test (10 shots with artificial hailstones of 20 mm in diameter aimed at different points of the sheet surface with a speed of 21 m/s ) causes at least 5 holes in the weathered surface of the sheet.
  - Yellowing will be determined by subjecting a cleaned sheet sample to the Yellowness Index Test ASTM D1925 (1977). Any claims for sheets displaying a change in Yellowness Index of 2 Δ or less for standard clear (112) and 5 Δ or less for opal white (WH7A092X) and bronze (515055), compared with their original value, will not be accepted.
- 5) SABIC Innovative Plastics reserves the right to investigate independently the cause of any failure.
- 6) If a claim under this limited written warranty is justified, SABIC Innovative Plastics will provide the purchaser with replacement material free of charge in accordance with the following schedule:
 

Time from Orig. Purchase Date	Material Replacement
Up to 5 years	100%
in 6th year	75%
in 7th year	60%
in 8th year	45%
in 9th year	30%
in 10th year	15%

If replacement material cannot be provided within a reasonable period of time, SABIC Innovative Plastics may opt to refund the original purchase price paid to SABIC Innovative Plastics, or a portion thereof, in accordance with the above schedule.
- 7) This limited written warranty shall be SABIC Innovative Plastics' sole liability and customer's exclusive remedy for the products and all other claims for damages are excluded. The limited written warranty is in lieu of all other warranties (except of title), written or oral, statutory, express or implied, including any warranty of merchantability or fitness of purpose. This ten (10) year limited written warranty shall be governed by the laws of the Netherlands.
- 8) This limited written warranty has been issued on July 1<sup>st</sup> 2000, is restricted to material sold by SABIC Innovative Plastics after such date and supersedes all previously issued warranties for the products mentioned above.
