

Lexan\* Corrugated Sheet

Warranty Conditions

Ten Year Limited Written Warranty Light Transmission and Yellowness and Five Year Limited Written Warranty Hail Damage

Standard Lexan Corrugated sheet grades will not break due to loss of impact strength through weathering within five (5) years of the date of sale by SABIC Innovative Plastics and will not display excessive yellowing and loss of light transmission within ten (10) years of the date of sale by SABIC Innovative Plastics.

This limited written warranty is subject to the following conditions:

- 1) This limited written warranty applies solely to standard Lexan Corrugated sheets sold by SABIC Innovative Plastics in Europe, in the colors clear, opal white and solar grey, used correctly as flat, sloped or curved glazing, handled, stored, processed, installed and maintained according to SABIC Innovative Plastics' recommendations. In all cases, the surface bearing the proprietary UV protection must be the only side exposed to direct sunlight and the effects of weather.
- 2) This limited written warranty does not apply to sheet that has been thermoformed, scratched, abraded or exposed to corrosive materials or chemicals.
- 3) This limited written warranty is given only to the original purchaser of SABIC Innovative Plastics sheet and does not extend to any subsequent purchaser or transferee. Any warranty claim hereunder must be made immediately within the warranty period by specifying the claim in writing and submitting to SABIC Innovative Plastics the original sales receipt which must contain the name and address of the purchaser, the date of purchase, the complete product name, the lot number and the volume purchased. On request of SABIC Innovative Plastics claimant must allow the material to be inspected on site and/or return the sheet to SABIC Innovative Plastics for testing.
- 4) For the purpose of this limited written warranty:
  - Loss of impact strength through weathering will be determined by subjecting a sample of an undamaged sheet to impact testing using ASTM D3029/Ford modified Gardner test. Acceptance of a claim under this limited written warranty requires a test result of less than 5 ft-lb.
  - Yellowing will be determined by subjecting a cleaned sheet sample to the Yellowness Index Test ASTM D1925. Any claims for sheets displaying a change in Yellowness Index of 10 units or less compared with their original value, will not be accepted. Loss of light transmission will be determined by subjecting a cleaned sheet sample to the Light Transmission Test ASTM D1003.
  - Loss of light transmission will be determined by subjecting a cleaned sheet sample to the Light Transmission Test ASTM D1003 (1977). Any claims for sheets displaying a loss of light transmission of 10 % or less, compared to the original value, will not be accepted.
- 5) SABIC Innovative Plastics reserves the right to investigate independently the cause of any failure.
- 6) If a claim under this limited written warranty is justified, SABIC Innovative Plastics will provide the purchaser with replacement material free of charge in accordance with the following schedule:
 

Time from Orig. Purchase Date	Material Replacement	
	Light tr./Yell.	Impact resist.
Up to 5 years	100%	100%
in 6th year	75%	nil
in 7th year	60%	nil
in 8th year	45%	nil
in 9th year	30%	nil
in 10th year	15%	nil

If replacement material cannot be provided within a reasonable period of time, SABIC Innovative Plastics may opt to refund the original purchase price paid to SABIC Innovative Plastics, or a portion thereof, in accordance with the above schedule.
- 7) This limited written warranty shall be SABIC Innovative Plastics' sole liability and customer's exclusive remedy for the products and all other claims for damages are excluded. The limited written warranty is in lieu of all other warranties (except of title), written or oral, statutory, express or implied, including any warranty of merchantability or fitness of purpose. This limited written warranty shall be governed by the laws of the Netherlands.
- 8) This limited written warranty has been issued on March 17th, 2008, is restricted to material sold by SABIC Innovative Plastics after such date and supersedes all previously issued warranties for the products mentioned above.
